

THE MESSENGER

Our Mission is to provide children with a Catholic, Christian education, ensuring them the opportunity to develop spiritual, academic, and personal excellence..

February 16, 2012

Dear Parents,

As the days pass ever so quickly, it's hard to keep up with time, and all that needs to be accomplished. I'm sure all of you experience the same or similar feelings in regard to our lives.

As I reflect on the contents of this brief letter, several dates come to mind:

- 1) A **GREAT, BIG THANK YOU** to all who made Trivia Night so successful. We are grateful to Kim Hurt, Kim Koch, and Laura Weirich, the organizers of the events for the evening. I understand our profit amounted to \$2,250.00. What a successful fundraiser!
- 2) Due to the inclement weather and the cancellation of school on Valentine Day, we are rescheduling Grandparents' Day to March 16th. We are assuming those grandparents who were planning to come on February 14th would like to participate on March 16th. Please inform the grandparents, etc. who are planning to attend. Thank you!
- 3) March 10th – "20th Annual Auction at St. Anthony School." This is the most important fundraiser for our school because it goes toward the reduction of the debt on the school building. I would like to remind all parents that selling your \$100.00 ticket is part of your responsibility of having your child enrolled at St. Anthony School. Please help make this auction another success. The auction is only three weeks away; there is still time to sell the ticket and to submit your registration for the dinner and the auction.
- 4) Each year every classroom creates a unique basket for the auction. In order to accomplish this task, we have requested that each child donates \$5.00 toward this worthy cause. All monies need to be in school on before Friday, February 24th to provide adequate time for the teachers to purchase needed items for the baskets. Once again, we thank you for your support.
- 5) Box Tops for Education was a great challenge. The students contributed 2,880 box tops in three weeks. Grades 5 & 6 brought in 941 box tops. Again, we thank you for all contributions.

May God bless you and your children; may He grant you the desires of your hearts.
