

# Preschool News

Dear Parents,

Nov. 10, 2011

The Holidays are right around the corner. We have already begun working on our songs for the Christmas program. The children continue to work on letters, sounds, shapes and colors. I have seen much improvement in some of these areas in the last few weeks. Please continue to work with your child if they are struggling. I have had a few parents ask about parent/teacher conferences. I do plan to schedule conferences with each parent the first and second weeks in January. If you have any concerns before then, please contact me, I would be happy to meet with you.

The children may have come home and told you that “we moved the sticks”. This is true; now that we have been in school for 3 months all children are expected to follow classroom rules. We go over classroom rules every morning. Your child will still receive verbal warnings, before asked to pull a stick; however, the children will not be allowed to put their stick/sticks back until the next week. If a child pulls 4 sticks he/she will not receive a prize at the end of a week.

We have a problem with spitting in the face. If a child spits or harms another child, they will be asked to pull all of their sticks. The children are reminded of this every morning. I hope that we can resolve this issue quickly. It is my goal that every child enjoys and has fun at preschool.
